YOMANGA.CO

I'm telling you first out of everyone.

Really? Well done.
You always went on about how lonely you were.

What happened?

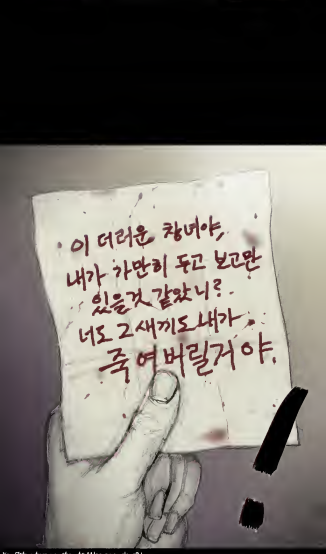
I'm... scared...
It's okay. It's okay... tell me

I know I shouldn't be telling you this but...
I'll just tell you the truth.

YOMANGA.CO

There's a man stalking me.
A year ago, I kept refusing to go out with him...
From then on he's been going around stalking me and I knew.
First I told the police because I was scared
They said I had no evidence and didn't even get threatened and they just ignored it

YOMANGA.CO



You filthy whore, you thought I'd leave you alone? I will kill both you and that son of a bitch.

YOMANGA.CO

Don't worry. I will take care of it.
